eXtend POS

Unique POS, slim and sleek

Experience the versatility of the SENOR eXtend POS, a light and compact POS giving you the best solution for countertop or wall-mount operation.

eXceed your eXpectations

Foldable for easy storage and portability, the eXtend POS is ideal for EXPO, Trade Shows, or Concept Pop-Up stores.

The arms of the docking station allows for vertical adjustment of the screen display to an ergonomic height for user comfort or leveled to the installed printer height.

Versatile Usage Wall Mount

Type A.
Wall Mount With Printer

Type B.
Wall Mount w/o any additional mounting bracket.

Easy peripherals installation

Peripheral options can be installed onto the unit via USB ports without any screws, providing for easy maintenance and high reliability.
